DETAILED ACTION

Allowable Subject Matter

1. Claims 1-14 are allowed.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or suggest a head for the linear dimension checking of mechanical pieces, comprising: a zero-setting mechanism, by adjusting the relative arrangement between the first portion and the second portion of the movable arm, including a movable mechanical reference between the movable arm and the casing, arranged exterior of the case, the movably mechanical reference being adapted to have at least two positions, wherein the zero-setting mechanism includes a quick locking/unlocking device between said first portion and said second portion of the movable arm in combination with the remaining limitations of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The following disclose heads for linear dimension checking Kanai et al. (U. S.
